

Student / Graduate Testimonials

"Having completed a PLC course in Killorglin Community College I wanted to further my studies in this area and I considered this course at IT, Tralee to suit me best. The course has an excellent variety of theory and practical work, which students will greatly benefit from. Lecturers are very accessible to students, and are always on hand to help with any queries. The facilities at IT, Tralee are excellent, with access to a wide variety of information technology equipment and systems. Tralee is a great location from a student point of view, with good student accommodation widely available as well as great social venues."

Andrew Griffin,
Higher Certificate in Business in Office Information Systems, Year 2.

"I completed a PLC course in pre Nursing at Tralee Community College and wanted to further my studies so I considered a course at IT, Tralee. The Applied Biology course has an excellent variety of theory and practical work. The lecturers are very accessible and always on hand to help with any queries. I am really enjoying the course and I would recommend it if you are thinking about working in the health sector. Tralee is a great location for any student with good accommodation and many social events organised also."

Siobhan Curtin,
Higher Certificate in Applied Biology, Year 1.

"The FETAC course in Killarney Community College was well designed and so manageable that when I transferred straight into second year of OIS in the Institute, I was well prepared and very capable of completing the tasks and projects assigned. It has been a great experience. There is a wide variety of subjects including photography and visual communications which are exciting and fun. I find the lecturers really helpful and there are great resources for students. My FETAC course was an excellent preparation for what is turning out to be a broad and interesting course at IT, Tralee. "

Niamh Collins,
Higher Certificate in Business in Office Information Systems, Year 2.

The Next Step

If you are currently completing or have completed a KES FETAC level 5 or level 6 programme and you wish to study at the Institute of Technology, Tralee you are required to submit an application to the Central Applications Office (CAO) for your preferred course(s) of study.

To contact the CAO call 091 509800 or visit www.cao.ie

Bonus Points Scheme

The Institute of Technology Tralee (ITT) and Kerry Education Service (KES) have agreed a Bonus Points Access Scheme which extends progression routes for KES students to ITT. Under this scheme bonus points are awarded to CAO applicants from KES who have achieved specific FETAC awards and who meet pre-requisites for entry to specific ITT programmes. The Scheme guarantees a quota of reserved places in the specified programmes for qualifying applicants from KES.

KES students will apply as normal to the CAO and submit an application form to the Admissions Office, ITT. The Institute will liaise with CAO to apply the bonus points.

Further details are available at www.ittralee.ie/informationfor/futurestudents/fetacstudents/

Did you know?

If you complete a FETAC level 6 programme there may be opportunities to enter year 2 of specific programmes.

i.e. DCXXX Childcare Supervision (FETAC Level 6) -> BA (Hons) in Early Childhood Care and Education at ITT. Specific criteria applies for entry. Please contact the Admissions Office, IT, Tralee for further information on this and other programmes.

Fees:

No tuition fees applicable at the Institute of Technology, Tralee at present. Maintenance grants may be available (subject to means testing).

National Development Plan 2007 - 2013

Kerry Education Service and the Institute of Technology, Tralee

A collaborative approach to learning in Kerry

This publication is a collaborative effort between Kerry Education Service and the Institute of Technology, Tralee, to provide a guide to students currently pursuing FETAC programmes with Kerry Education Service who may be considering progression to Levels 6, 7 & 8 programmes at the Institute of Technology, Tralee.

Further details on programmes provided by Kerry Education Service are available at: www.cokerryed.ie/kescourses.html or from Kerry Education Service, Riverside House, Dan Spring Road, Tralee, Co. Kerry. (066) 712 1488.

A copy of the Institute of Technology, Tralee prospectus is available to download at: www.ittralee.ie/en/InformationFor/FutureStudents/Prospectus or from the Admissions Office, Institute of Technology, Tralee, South Campus, Clash, Tralee, Co. Kerry. (066) 7145638.

Dr. Barney O'Reilly, CEO, Kerry Education Service

It gives me great pleasure to introduce the KES/ITT joint promotional brochure which provides students in Kerry with an outline of course opportunities as they progress from KES programmes to courses at our partner institute at the IT Tralee. It is our aim at KES to create a learning society in Kerry. We do so, not on our own but in collaboration with others. We hope that by using this guide, you will find an educational path that responds to your needs. I would encourage you to liaise with us at KES or with our partners at the IT Tralee in investigating your options as you progress on your educational journey - between both organisations we offer unlimited possibilities.

Dr. Barney O'Reilly,
CEO, Kerry Education Service - the VEC in Kerry

Michael Carmody, President, IT, Tralee

I am delighted that you are considering IT, Tralee as a place where you will spend some of the most important years of your life as you progress from courses at the KES or as you embark upon developing your educational plan, availing of a KES programme as the first step on your journey of education. The IT, Tralee is a dynamic, international and forward looking organisation, committed to being a centre of excellence of teaching, learning and enterprise. Our campus facilities offer you the highest quality educational sporting and leisure facilities, where we pride ourselves on being a caring, friendly institution, providing a broad range of support services to ensure that you succeed in your chosen course of study. We continue to work closely with our sister institution KES, thereby ensuring we provide the learner in Kerry with the appropriate progression routes to fulfil their learning goals. Finally, I thank you for your interest in IT, Tralee and I wish you every success in your studies.

Michael Carmody
President, Institute of Technology, Tralee
