

WELCOME TO THE Institute of Technology, Tralee

Welcome

I am delighted that you are considering the Institute of Technology, Tralee as a place where you will spend some of the most important years of your life.

The Institute is dynamic, international and forward-looking and is committed to being a centre of excellence in teaching, learning and enterprise.

From September 2008, courses at the Institute are being delivered in modules and on a semester basis. The structure of our courses offers you the flexibility to achieve your goals and to progress from Higher Certificate to Ordinary Bachelor degree to Honours Bachelor degree. Alternatively, you can choose a stand-alone degree from the numerous courses available. On completion of your Honours Bachelor degree, we also offer a number of taught postgraduate Masters degrees along with postgraduate research Masters and PhD degrees in many disciplines.

The Institute is located on a campus shared with Kerry Technology Park. Both organisations have a vision for the seamless integration of education and enterprise. This unique partnership means we have access to some of the most innovative and forward-thinking companies in the country. Having this resource of practical industrial experience right on our doorstep is a tremendous benefit to the Institute and its students.

Our campus facilities offer you the highest quality educational, sporting and leisure facilities with over €50 million of new buildings on-stream including our new Library & Information Resource Centre and Creche. We pride ourselves on being a friendly, caring institution by providing a broad range of support services to ensure you succeed in your chosen course with us. The wide variety of sport and leisure activities available at the Institute and in Tralee will allow you to make many new friends and ensure your time at IT, Tralee is an enjoyable one.

I am confident that you will find the right course at IT, Tralee to fulfil your potential and prepare you for a successful and rewarding career. I would encourage you to take the time to read through this prospectus and come along to our Open Day to see for yourself what we can offer you.

Finally, I would like to thank you for your interest in IT, Tralee and wish you every success in your studies. Whether you decide to join us now, or in the future, we are always happy to meet and assist you.
