Speak UP- Enhancing EU workers and teachers' skills in public speaking

LEONARDO DA VINCI Partnership Project
Project duration: 01.08.2012 – 31.07.2014

This project has been funded with support from the European Commission in the framework of the Life Long Learning Programme.

SPEAK UP!

- Enhancing EU workers and teachers' skills in public speaking

This project is designed to help the individual who is not yet a professional trainer and public speaker. The focus is on the worker, teacher, supervisor, manager or brand new trainer who has to speak in front of an audience on a regular basis or train a group of individuals, make presentations at work, sell or introduce new products, etc; a task for which he or she has little prior experience.

Objective:

- To develop training course that will cover following subject:
- Effective training session
- Training objectives and their evaluation
- Usage of aids and techniques
- Developing effective training style
- Adjusting training methods to the audience
- Effective communication
- Methods of stimulating classroom
- coping with difficult situations

Results:

online training course
