While every attempt has been made to ensure that this list of modules accurately reflects the available Modules, it is possible that changes may be required and certain modules may be cancelled.
THIS IS ESPECIALLY POSSIBLE WITH ELECTIVE MODULES I.E. A STATUS OF 'E'

Erasmus students are admitted to modules subject to the lecturers permission. Full time students working towards an IT Tralee award (Bachelors degree etc.) will always have priority where places are limited.

IT Tralee does not guarantee that all these modules will be available in 2017/2018

It is not permitted for Erasmus Students to take part of a module.

Students who choose to take a module must complete all the components to earn credits. No Exceptions will be made
