additional siblings FREE

BOOKING

steamingahead.eventbrite.ie

Based at IT Tralee, **STEAMing Ahead** creates a fun based learning environment, allowing all participants between the ages of 10 years and 16 years of age to explore coding and areas of **Science, Technology, Engineering, Arts** and **Mathematics** (STEAM).

Participants will be introduced to coding using graphical programming tools, similar to Scratch. They will work as individuals and in teams to develop applications focused on tasks that include, manipulating robots and drones around obstacle courses, developing games and creating animations.

LIMITED PLACES To book or for more information contact **E: info@creancentre.com T: (0)66 7144229**

All camps are fully supervised by Garda Vetted personnel.
Bursaries available please enquire to info@creancentre.com
