

Online Stimulation Tool 2 for Placement in Covid

Week 4 Activity

Aim : to appreciate the importance of brain building in early learning.

Read page on Brain Building and Serve and Return at

<https://www.home-start.org.uk/at-home-with-0-3-year-olds>

Look at the clip called “5 Steps for Brain Building” (6 minutes) at link below and answer the following questions :

Select an activity/activities for your group of children to practice Serve and Return to support brain building. Consider age of your children.

Outline steps you would take, resources you might use, support you might need.

Describe outcomes you are targeting.

Discuss how chosen activity/activities could be integrated into daily preschool/school learning.

Select one of the following : shared focus, facial expression, providing language, allowing time to respond, transitions. **Consider** its importance in early learning.
